

**IN THE UNITED STATES DISTRICT COURT FOR THE
WESTERN DISTRICT OF MISSOURI
ST. JOSEPH DIVISION**

UNITED STATES OF AMERICA,

Plaintiff,

v.

DARRIN GENE BERRY,

Defendant.

Case No. 15-006004-19-CR-SJ-DGK

PLEA AGREEMENT

Pursuant to Rule 11(c)(1)(B) of the Federal Rules of Criminal Procedure, the parties described below have entered into the following plea agreement:

1. The Parties. The parties to this agreement are the United States Attorney's Office for the Western District of Missouri (otherwise referred to as "the Government" or "the United States"), represented by Tammy Dickinson, United States Attorney, and Bruce Rhoades, Assistant United States Attorney, and the defendant, DARRIN GENE BERRY ("the defendant"), represented by Casey J. Symonds.

The defendant understands and agrees that this plea agreement is only between him and the United States Attorney for the Western District of Missouri, and that it does not bind any other federal, state, or local prosecution authority or any other government agency, unless otherwise specified in this agreement.

2. Defendant's Guilty Plea. The defendant agrees to and hereby does plead guilty to: the lesser included charge contained within **Count Seven** of the Superseding Indictment *now* charging the defendant with a violation of 21 U.S.C. §§ 841(a)(1), (b)(1)(C) and 846, that is, conspiracy to distribute methamphetamine. The Defendant also **admits the allegations of**

forfeiture, which include a **money judgment** to be entered against the defendant, as contained in the Superseding Indictment.

By entering into this plea agreement, the defendant admits that he knowingly committed this offense, and is in fact guilty of this offense.

3. Factual Basis for Guilty Plea. The parties agree that the facts constituting the offenses to which the defendant is pleading guilty are as follows:

In 2010, the BCDSF and DEA initiated an investigation into a drug trafficking organization distributing methamphetamine in Northwest Missouri and Northeast Kansas. In July 2014, five members of the organization were indicted and in February 2015, another member was indicted. Based on interviews, proffers of the defendants, traffic stops, search warrants and investigative information from other law enforcement agencies, additional members of that same drug distribution conspiracy were identified as involved in the conspiracy that ran from 2010 to 2015.

JOSE RUIZ and GREGORY BULLOCK were the primary sources of supply for methamphetamine. JOSE RUIZ and GREGORY BULLOCK would obtain multiple pound quantities of methamphetamine and deliver it to GABRIEL RUIZ, Sabrina MORGAN, JOSHUA BOWERS, TAYLOR SYAS and BRITTNEY BREHM who in turn, sold the methamphetamine to E.E. DOTHAGE, S. SCHREIER, FRANKIE CARTER, RYAN BATTAGLER, JASON KIRTLEY, BRIAN BOWERS, EUGENE BRAMMER, WILL CAMPBELL, and **Defendant Darrin Gene Berry**.

On February 3, 2014, **Defendant Darrin Gene Berry** was arrested by Clay County Deputies on a traffic stop for possession of methamphetamine. JT was with BERRY when he was arrested.

On February 19, 2014, an interview was conducted with **Defendant BERRY**. BERRY identified his methamphetamine source. BERRY advised he paid \$250 for a quarter ounce and that he had made the transaction three to four times over the past year and had been to his source recently and gotten an "Eight ball on front" but the source had been arrested and he had never paid for the "Eight ball."

On February 26, 2014, an interview was conducted with JT. JT stated he had been at **BERRY's** residence in the winter of 2013 when Co-Defendants Dothage and Morgan delivered a quarter ounce of methamphetamine to **BERRY** and that **BERRY** bragged to him about getting the quarter ounce for \$250 because Dothage and Morgan dealt pounds of methamphetamine and he (**BERRY**) got a good deal.

On July 29, 2014, an interview was conducted with FC. FC said he sold methamphetamine to **BERRY** and co-defendant RODNEY KING. FC stated that he would sell them half ounces at a time.

On November 14, 2014, an interview was conducted with BB who advised he had sold six to eight ounces of methamphetamine to **Defendant BERRY** during a two week period during the summer of 2014.

On June 3, 2014, an interview was conducted with TSJ who advised Morgan supplied **BERRY** with methamphetamine. TSJ recalled an occasion at **BERRY's** residence in the fall of 2011, when Morgan arrived there to supply **BERRY** with methamphetamine and when Morgan saw TSJ, Morgan handed approximately two ounces of methamphetamine to co-defendant Ryan Batagler who handed the methamphetamine to **BERRY**.

On February 28, 2015, an interview was conducted with HHE who was at **BERRY's** residence when BREHM sold **BERRY** a golf ball sized bag of methamphetamine just prior to BREHM's recent arrest. HHE also identified **BERRY** as previously selling methamphetamine for Morgan.

On March 10, 2015, during a proffer interview with ED, ED advised he got half ounce to two ounce quantities from Carter for a third party. ED usually got the methamphetamine from **BERRY** because **BERRY** kept methamphetamine at his residence and sold it for Frankie Carter. ED got seven to eight ounces all together in this fashion from Carter and **BERRY**.

Additional evidence exists that may further implicate the defendant in this drug trafficking conspiracy. The defendant acknowledges that evidence has been provided to defendant's attorney and he has had an opportunity to review it with his attorney prior to signing this plea agreement and further acknowledges that evidence, and any additional evidence obtained prior to sentencing, may affect the ultimately determined drug responsibility level of the defendant.

Defendant acknowledges that while the information set out herein may not allege exact amounts of methamphetamine associated with him, he agrees that the amounts alleged herein, along with other statements and evidence in the case, total more than fifty (50) grams of methamphetamine, mixture and substance, for which he is responsible.

Defendant further acknowledges that all the proceeds from all the drugs sold in the conspiracy, any use of proceeds, or any items purchased with proceeds, utilized in the conspiracy, or obtained through operation of the conspiracy, are subject to forfeiture. Additionally, defendant admits, agrees, and accepts that the facts herein, the drug price calculations contained within the

Superseding Indictment¹ (and adopted herein by the parties), and the drug level for which the Court ultimately holds defendant responsible, are the basis for the money judgment to be imposed against defendant pursuant to his admission of the allegations of forfeiture and the money judgment contained within the Superseding Indictment.

The parties have agreed to a drug level in this plea agreement of not less than a drug level 24. It is, however, understood by the parties that the pre-sentence investigation or the Court at sentencing could assess a higher drug level of responsibility for the defendant based on the evidence in the case to date or that becomes known later. In the event a higher drug level is determined by the pre-sentence investigation or the Court at sentencing, the parties are free to express their respective positions about that higher drug level at sentencing.

4. Use of Factual Admissions and Relevant Conduct. The defendant acknowledges, understands and agrees that the admissions contained in Paragraph 3 and other portions of this plea agreement will be used for the purpose of determining defendant's guilt and advisory sentencing range under the United States Sentencing Guidelines ("U.S.S.G."), including the calculation of the defendant's offense level in accordance with U.S.S.G. § 1B1.3(a)(2). The defendant acknowledges, understands and agrees that the conduct charged in any dismissed counts of the Superseding Indictment as well as all other uncharged related criminal activity may be considered as "relevant conduct" pursuant to U.S.S.G. § 1B1.3(a)(2) in calculating the offense level for the charges to which defendant is pleading guilty.

5. Statutory Penalties. The defendant understands that upon pleading guilty to the lesser included charge contained within **Count Seven** of the Superseding Indictment *now* charging the defendant with a violation of 21 U.S.C. §§ 841(a)(1), (b)(1)(C) and 846, that is, conspiracy to distribute methamphetamine, the maximum penalty the Court may impose is not more than 20 years imprisonment and not more than a \$1,000,000.00 fine. Also, that the Court shall impose not

¹ As set out in the Superseding Indictment: "As to all defendants, jointly and severally, they shall forfeit any and all interest in approximately \$4,359,600 in United States currency, and any interest and proceeds traceable thereto, in that at least this sum, in aggregate, was received in exchange for the unlawful distribution of methamphetamine and heroin, or is traceable thereto, based on a conservative street price of \$1,200 for an ounce of 50% pure methamphetamine and the total conspiracy distribution of at least one-hundred (100) kilos of methamphetamine and a conservative street price of \$2,500 per ounce of heroin and an overall conspiracy distribution of approximately three (3) pounds."

less than three (3) years of supervised release and that this offense is a Class C felony.

Additionally, the defendant understands that as part of the criminal forfeiture allegations admission, the Court will enter a money judgment against the defendant, and any other defendants found liable for the forfeiture allegations, in an amount not to exceed \$4,359,600.00. That amount is to be based upon the amount of the defendant's controlled substance responsibility ultimately determined by the Court at sentencing and the controlled substance value calculations contained within the Superseding Indictment.

The defendant understands that for each count of conviction the Court shall impose a \$100 mandatory special assessment which must be paid in full *prior* to sentencing in this case. Failure to *timely* pay said assessment can result in the Government seeking a continuance of the sentencing until it is paid OR, in the alternative, the Government can consider the failure to timely pay it as a violation of this plea agreement and seek to have this agreement voided.

6. Sentencing Procedures. The defendant acknowledges, understands and agrees to the following:

a. in determining the appropriate sentence, the Court will consult and consider the United States Sentencing Guidelines promulgated by the United States Sentencing Commission; these Guidelines, however, are advisory in nature, and the Court may impose a sentence within or less than or greater than the defendant's applicable Guidelines range;

b. the Court will determine the defendant's applicable Sentencing Guidelines range at the time of sentencing;

c. in addition to a sentence of imprisonment, the Court shall impose a term of supervised release of not less than three (3) years;

d. if the defendant violates a condition of supervised release, the Court may revoke that supervised release and impose an additional period of imprisonment without credit for time previously spent on supervised release. In addition to a new term of imprisonment, the Court also may impose a new period of supervised release;

e. the Court may impose any sentence authorized by law, including a sentence that is outside of, or departs from, the applicable Sentencing Guidelines range and the Court may impose sentences concurrently or consecutively;

f. any sentence of imprisonment imposed by the Court will not allow for parole;

g. the Court is not bound by any recommendation regarding the sentence to be imposed or by any calculation or estimation of the Sentencing Guidelines range offered by the parties or the United States Probation Office;

h. the defendant may not withdraw this guilty plea solely because of the nature or length of the sentence imposed by the Court;

i. The defendant agrees that the United States may institute civil, judicial or administrative forfeiture proceedings against all forfeitable assets in which the defendant has an interest, and that defendant will not contest any such forfeiture proceedings;

j. The defendant agrees to forfeit all interests defendant owns or over which defendant exercises control, directly or indirectly, in any asset that is subject to forfeiture to the United States either directly or as a substitute for property that was subject to forfeiture but is no longer available for the reasons set forth in 21 U.S.C. § 853(p), including but not limited to the following specific property: a money judgment in an amount to be based upon defendant's drug responsibility ultimately determined by the Court at sentencing and the drug value calculations contained within the Superseding Indictment, but not to exceed \$4,359,600.00. With respect to any asset which the defendant has agreed to forfeit, the defendant waives any constitutional and statutory challenges in any manner (including direct appeal, habeas corpus, or any other means) to any forfeiture carried out in accordance with this plea agreement on any grounds, including that the forfeiture constitutes an excessive fine or punishment under the Eighth Amendment to the United States Constitution;

k. The defendant agrees not to contest the transfer of any forfeitable property from any state or local agency to the United States and to take whatever steps are necessary to facilitate that transfer. The defendant specifically agrees and authorizes any state or local law enforcement agency having possession of property subject to federal forfeiture to release the property to a federal agency either prior to or after entry of an order forfeiting the defendant's interest in such property. Further, the defendant agrees to hold harmless any state or local law enforcement agency which releases such property to any federal agency for federal forfeiture proceedings;

l. The defendant agrees to take all necessary steps to comply with the forfeiture matters set forth herein before sentencing, and;

m. The defendant states that defendant is the sole and rightful owner of any currency, automobile and other assets listed in the Superseding Indictment, seized at defendant's arrest, or in the custody of law enforcement and that to the best of defendant's knowledge no one else has any ownership or other interest in said property. In the event any federal, state or local law enforcement agency having custody of said property decides not to pursue forfeiture of the property, the defendant hereby abandons any interest in such property and consents to the destruction or any other disposition of the property by the federal, state or local agency without further notice or obligation whatsoever owing to the defendant.

7. Government's Agreements. Based upon evidence in its possession at this time, the United States Attorney's Office for the Western District of Missouri, as part of this plea agreement, agrees not to bring any additional charges against defendant for any criminal offenses related to the charges defendant has pled to herein for which it has venue and which arose out of the defendant's conduct described above.

The defendant understands that the United States' agreement to forego prosecution of additional criminal offenses with which the defendant might be charged is based solely on the promises made by the defendant in this agreement and the limitations set out herein. If the defendant breaches this plea agreement, the United States retains the right to proceed with the original charges and any other applicable criminal violations. The defendant expressly waives any right to challenge the initiation of the dismissed or additional charges against defendant if defendant breaches this agreement. The defendant expressly waives any right to assert a statute of limitations defense if the dismissed or additional charges are initiated against defendant following a breach of this agreement. The defendant further understands and agrees that if the Government elects to file additional charges against defendant following breach of this plea agreement, defendant will not be allowed to withdraw this guilty plea.

The defendant further understands that nothing in this plea agreement prevents any prosecution for any act of violence or commission of a sex crime or an attempted violent or sex

crime act or a conspiracy to commit any violent or sex crime act. This plea agreement also does not prevent prosecution of any criminal activity of which the United States Attorney for the Western District of Missouri has no knowledge. The defendant understands and agrees that if the Government files charges against defendant pursuant to one of these exceptions, defendant will not be allowed to withdraw this guilty plea.

8. Preparation of Presentence Report. The defendant understands the United States will provide to the Court and the United States Probation Office a government version of the offense conduct. This may include information concerning the background, character, and conduct of the defendant, including the entirety of defendant's criminal activities. The defendant understands these disclosures are not limited to the counts to which defendant has pleaded guilty.

The United States may respond to comments made or positions taken by the defendant, defendant's counsel or anyone on defendant's behalf and to correct any misstatements or inaccuracies. The United States further reserves its right to make any recommendations it deems appropriate regarding the disposition of this case, subject only to any limitations set forth in this plea agreement. The United States and the defendant expressly reserve the right to speak to the Court at the time of sentencing pursuant to Rule 32(i)(4) of the Federal Rules of Criminal Procedure.

9. Withdrawal of Plea. Either party reserves the right to withdraw from this plea agreement for any or no reason at any time prior to the entry of the defendant's plea of guilty and its formal acceptance by the Court. In the event of such withdrawal, the parties will be restored to their pre-plea agreement positions to the fullest extent possible. However, after the plea has been formally accepted by the Court, the defendant may only withdraw these pleas of guilty if the Court rejects the plea agreement or if the defendant can show a fair and just reason for requesting the

withdrawal. The defendant understands that if the Court accepts defendant's pleas of guilty and this plea agreement but subsequently imposes a sentence that is outside the defendant's applicable Sentencing Guidelines range, or imposes a sentence that the defendant does not expect, like or agree with, that will not permit defendant to withdraw these pleas of guilty.

10. Agreed Guidelines Applications. With respect to the application of the Sentencing Guidelines to this case, the parties stipulate and agree as follows:

a. The Sentencing Guidelines do not bind the Court and are advisory in nature. The Court may impose a sentence that is within or above or below the defendant's applicable Guidelines range and the Court may impose sentences to be served concurrently or consecutively;

b. The applicable Guidelines section for the offense of conviction is U.S.S.G. § 2D1.1, which provides for *not less than* a base offense level 24, but the parties reserve the right to address at sentencing the pre-sentence or Court determined drug level;

c. While the parties recognize there might be specific aggravating or mitigating U.S.S.G. applications applicable to this defendant, the parties elect to address at the sentencing hearing any found by the pre-sentence report or Court and agree to be bound by the Court's determination following the sentencing hearing;

d. The defendant appears to have admitted his guilt and accepted responsibility for his actions, and by timely notifying authorities of the intention to enter a plea of guilty has thereby permitted the Government to avoid preparing for trial and permitted the Government and the Court to allocate their resources efficiently. Therefore, the defendant appears entitled to a three-level reduction pursuant to § 3E1.1(b) of the Sentencing Guidelines and the Government, at the time of sentencing, will make a motion with the Court to that effect unless the defendant (1) fails to abide by all of the terms and conditions of this plea agreement and any pretrial release orders; or (2) attempts to withdraw this guilty plea; or (3) violates the law; or (4) otherwise engages in conduct inconsistent with an acceptance of responsibility;

e. There is no agreement between the parties regarding the defendant's criminal history category. The parties agree that the Court will determine the applicable criminal history category after receipt of the presentence investigation report prepared by the United States Probation Office;

f. The defendant understands that the estimate of the parties with respect to the Guidelines computation set forth in the subsections of this paragraph does not

bind the Court or the United States Probation Office with respect to the appropriate Guidelines levels. Additionally, the failure of the Court to accept these stipulations will not, as outlined in Paragraph 9 of this plea agreement, provide the defendant with a basis to withdraw this plea of guilty;

g. The United States agrees to request a sentence within the United States Sentencing Guidelines range established at the sentencing hearing and the defendant agrees to request a reasonable sentence based on any good faith sentencing arguments the defendant care to make that are not otherwise in conflict with agreements herein. The sentencing argument agreements by the parties are not binding upon the Court or the United States Probation Office and the Court may impose any sentence authorized by law, including a sentence outside the applicable Guidelines range or a consecutive sentence;

h. The defendant consents to judicial fact-finding by a preponderance of the evidence for all issues pertaining to the determination of the defendant's sentence, including the determination of any mandatory minimum sentence (including the facts that support any specific offense characteristic or other enhancement or adjustment), and any legally authorized increase above the normal statutory maximum. The defendant waives any right to a jury determination beyond a reasonable doubt of all facts used to determine and enhance the sentence imposed, and waives any right to have those facts alleged in the Superseding Indictment. The defendant also agrees that the Court, in finding the facts relevant to the imposition of sentence, may consider any reliable information, including hearsay; and,

i. The defendant understands and agrees that the factual admissions contained in Paragraph 3 or other places within this plea agreement, and any admissions made during the defendant's plea colloquy, support the imposition of the agreed-upon Guidelines calculations contained in this agreement.

11. Effect of Non-Agreement on Guidelines Applications. The parties understand, acknowledge and agree that there are no agreements between the parties with respect to any Sentencing Guidelines issues other than those specifically listed in Paragraph 10. As to any other Guidelines issues, the parties are free to advocate their respective positions at the sentencing hearing.

12. Change in Guidelines Prior to Sentencing. The defendant agrees that if any applicable provision of the Guidelines changes after the execution of this plea agreement, then any request by defendant to be sentenced pursuant to the new Guidelines will make this plea agreement

voidable by the United States at its option. If the Government exercises its option to void the plea agreement, the United States may charge, reinstate, or otherwise pursue any and all criminal charges that could have been brought but for this plea agreement.

13. Government's Reservation of Rights. The defendant understands that the United States expressly reserves the right in this case to:

- a. oppose or take issue with any position advanced by defendant, or anyone on behalf of the defendant, at the sentencing hearing which might be inconsistent with the provisions of this plea agreement;
- b. comment on the evidence supporting the charges in the Superseding Indictment;
- c. oppose any arguments and requests for relief the defendant, or anyone on defendant's behalf, might advance on an authorized appeal from the sentences imposed and that the United States remains free on appeal or collateral proceedings to defend the legality and propriety of the sentence actually imposed, even if the Court chooses not to follow any recommendation made by the United States; and
- d. oppose any post-conviction motions for reduction of sentence, or other relief.

14. Waiver of Constitutional Rights. The defendant, by pleading guilty, acknowledges that defendant has been advised of, understands, and knowingly and voluntarily waives the following rights:

- a. the right to plead not guilty and to persist in a plea of not guilty;
- b. the right to be presumed innocent until defendant's guilt has been established beyond a reasonable doubt at trial;
- c. the right to a jury trial, and at that trial, the right to the effective assistance of counsel;
- d. the right to confront and cross-examine the witnesses who testify against the defendant;
- e. the right to compel or subpoena witnesses to appear on defendant's behalf; and

f. the right to remain silent at trial, in which case that silence may not be used against defendant.

The defendant understands that by pleading guilty, he waives or gives up those rights and that there will be no trial. The defendant further understands that if he pleads guilty, the Court may ask questions about the offense or offenses to which defendant pleaded guilty, and if the defendant answers those questions under oath and in the presence of counsel, those answers may later be used against defendant in a prosecution for perjury or making a false statement. The defendant also understands he has pleaded guilty to a felony offense and, as a result, will lose the right to possess a firearm or ammunition and might be deprived of other rights, such as the right to vote or register to vote, hold public office, or serve on a jury.

15. Waiver of Appellate and Post-Conviction Rights

a. The defendant acknowledges, understands and agrees that by his *unconditional* plea of guilty pursuant to this plea agreement he waives the right to appeal or collaterally attack a finding of guilt *or* denial of a motion to withdraw his guilty pleas following the acceptance of his pleas of guilty pursuant to this plea agreement, except on grounds of (1) ineffective assistance of counsel; or (2) prosecutorial misconduct.

b. The defendant expressly waives the right to appeal any sentence, directly or collaterally, on any ground except claims of (1) ineffective assistance of counsel; (2) prosecutorial misconduct; or (3) an illegal sentence. An “illegal sentence” is a sentence imposed in excess of the statutory maximum. It is *not* a misapplication or miscalculation of the Sentencing Guidelines, an abuse of discretion, or the imposition of an unreasonable sentence. However, if the United States exercises its right to appeal the sentence imposed as authorized by 18 U.S.C. § 3742(b), the defendant is released from this waiver and may, as part of the Government’s appeal, cross-appeal the sentence as authorized by 18 U.S.C. § 3742(a) with respect to any issues that have not been stipulated to or agreed upon in this agreement.

16. Financial Obligations. By entering into this plea agreement, the defendant states an understanding of and agrees to the following financial obligations:

a. The United States may use the Federal Debt Collection Procedures Act and any other remedies provided by law to enforce any restitution order that may be entered as part of the sentence in this case and to collect any fine or costs.

b. The defendant will fully and truthfully disclose all assets and property in which defendant has any interest, or over which the defendant exercises control directly or indirectly, including assets and property held by a spouse, nominee or other third party. The defendant's disclosure obligations are ongoing, and are in force from the execution of this agreement until the defendant has satisfied the restitution or fine or costs order in full.

c. Within 10 days of the execution of this plea agreement, at the request of the USAO, the defendant agrees to execute and submit (1) a Tax Information Authorization form; (2) an Authorization to Release Information; (3) a completed financial disclosure statement; and (4) copies of financial information that the defendant submits to the U.S. Probation Office. The defendant understands that compliance with these requests will be taken into account when the United States makes a recommendation to the Court regarding the defendant's acceptance of responsibility.

d. At the request of the USAO, the defendant agrees to undergo any polygraph examination the United States might choose to administer concerning the identification and recovery of substitute assets, restitution, fines, or costs.

e. The defendant hereby authorizes the USAO to obtain a credit report pertaining to defendant to assist the USAO in evaluating the defendant's ability to satisfy any financial obligations imposed as part of the sentence.

f. The defendant understands that a Special Assessment will be imposed as part of the sentence in this case. The defendant promises to pay the Special Assessment of \$100.00 by submitting a satisfactory form of payment to the Clerk of the Court prior to appearing for the sentencing proceeding in this case. The defendant agrees to provide the Clerk's receipt as evidence of fulfillment of this obligation at the time of sentencing.

g. The defendant certifies that no transfer of assets or property has been made for the purpose of (1) evading financial obligations created by this Agreement; (2) evading obligations that may be imposed by the Court; nor (3) hindering efforts of the USAO to enforce such financial obligations. Moreover, the defendant promises that no such transfers will be made in the future.

h. In the event the United States learns of any misrepresentation in the financial disclosure statement, or of any asset in which the defendant had an interest at the time of this plea agreement that is not disclosed in the financial disclosure statement, and in the event such misrepresentation or nondisclosure changes the estimated net worth of the defendant by ten thousand dollars

(\$10,000.00) or more, the United States may at its option: (1) choose to be relieved of its obligations under this plea agreement; or (2) let the plea agreement stand, collect the full forfeiture, restitution, and fines imposed by any criminal or civil judgment, and also collect 100% (one hundred percent) of the value of any previously undisclosed assets. The defendant agrees not to contest any collection of such assets. In the event the United States opts to be relieved of its obligations under this plea agreement, the defendant's previously entered pleas of guilty shall remain in effect and cannot be withdrawn.

17. Waiver of FOIA Request. The defendant waives any and all rights, whether asserted directly or by a representative, to request or receive from any department or agency of the United States any records pertaining to the investigation or prosecution of this case including, without limitation, any records that may be sought under the Freedom of Information Act, 5 U.S.C. § 552, or the Privacy Act of 1974, 5 U.S.C. § 552a.

18. Waiver of Claim for Attorney's Fees. The defendant waives any and all claims under the Hyde Amendment, 18 U.S.C. § 3006A, for attorney's fees and other litigation expenses arising out of the investigation or prosecution of this matter.

19. Defendant Will Surrender to Custody at the Plea. The defendant understands that the crime to which he is pleading in Count One of the Superseding Indictment is an offense for which a maximum term of imprisonment of ten years or more is prescribed in the Controlled Substances Act. Accordingly, pursuant to 18 U.S.C. § 3143(a)(2), the Court must detain the defendant after he pleads guilty to the offense. The defendant hereby agrees not to contest his detention immediately after the guilty plea, to surrender to the custody of the United States Marshals at that time, and to make no attempts to be released from custody pending sentencing or transfer to the Bureau of Prisons following sentencing.

20. Defendant's Breach of Plea Agreement. If the defendant commits any crimes, violates any conditions of release, or violates any term of this plea agreement between the signing of this plea agreement and the date of sentencing, or fails to appear for sentencing, or if the

defendant provides information to the Probation Office or the Court that is intentionally misleading, incomplete, or untruthful, or otherwise breaches this plea agreement, the United States will be released from its obligations under this agreement. The defendant, however, will remain bound by the terms of the agreement, and will not be allowed to withdraw this plea of guilty.

The defendant also understands and agrees that in the event this plea agreement is violated, all statements made by the defendant to law enforcement agents subsequent to the execution of this plea agreement, any testimony given by defendant before a grand jury or any tribunal or any leads from such statements or testimony shall be admissible against defendant in any and all criminal proceedings. The defendant waives any and all rights under the United States Constitution, any statute, Rule 11(f) of the Federal Rules of Criminal Procedure, Rule 410 of the Federal Rules of Evidence, or any other federal rule that pertains to the admissibility of any statements made by defendant subsequent to this plea agreement.

21. Defendant's Representations. The defendant acknowledges that he has entered into this plea agreement freely and voluntarily after receiving the effective assistance, advice and approval of counsel. The defendant acknowledges that he is satisfied with the assistance of counsel, and that counsel has fully advised him of his rights and obligations in connection with this plea agreement. The defendant further acknowledges that no threats or promises, other than the promises contained in this plea agreement, have been made by the United States, the Court, his attorney or any other party to induce him to enter this plea of guilty.

22. No Undisclosed Terms. The United States and defendant acknowledge and agree that the above-stated terms and conditions, together with any written supplemental agreement that might be presented to the Court in camera, constitute the entire plea agreement between the parties, and that any other terms and conditions not expressly set forth in this agreement or any

written supplemental agreement do not constitute any part of the parties' agreement and will not be enforceable against either party.

23. Standard of Interpretation. The parties agree that, unless the constitutional implications inherent in plea agreements require otherwise, this plea agreement should be interpreted according to general contract principles and the words employed are to be given their normal and ordinary meanings. The parties further agree that, in interpreting this agreement, any drafting errors or ambiguities are not to be automatically construed against either party, whether or not that party was involved in drafting or modifying this agreement.
